Dr. R. A. Falconer,

Dear Sir:

Would it be possible for our
Lakers Institute which meets Oct¹⁵ and ¹⁶ next in this
City - to secure you for an evening lecture on Thursday
and an address to the ~~Lakers~~ on Friday morning.

Two years ago I wrote you, but you were abroad but
intimated in a letter to me that a possibility might
arise in the future.

Awaiting reply I am

Sincerely yours

W. Munro, Esq.,

Secretary, Teachers' Institute,

Woodstock.

Dear Mr. Munro:

On my return from England I find your letter of September 7 asking me to address the Teachers' Institute in Woodstock on October 15 and 16. I regret that at this date I am unable to promise to go, inasmuch as there are several engagements which I must fulfil, the dates of which have not yet been definitely fixed. If it should turn out that these engagements permit of it I should be glad to go, but you had better make other engagements for this year. I hope, however, to be with you some time in the future.

Yours sincerely,

President.
